Message from our District Governor Lion Evelyn Spiering

Thank you to all the Lions who came out to the first Cabinet Meeting, we had a great showing of Lions.

Lion OJ Wilura gave a presentation on the Global Membership Approach and as we move in the Membership month, I would like us all to think of ways to increase our membership. Part of the strategy is to Build a Plan; we do this technique with every event and fundraiser, so why not do the same when we want to increase our membership. Having a Plan increases your chance of success, and I want you to be successful. More members means more hands to do the work. I know that when we work as a team and together great things can happenI am cheering you on as you strive to increase you membership which in turn increases service.

Our Second speaker was from Children's Health Foundation and spoke to us about Childhood Cancer and the money needed to fund research so that these Kids can live a life that they deserve. Lion Doug Crockett is available to come out to your club and speak on this most worthwhile cause. All you have to do is ASK..... No child should be without the treatment they so deserve.

Please remember to report your service, and continue the great work you are doing for you Community

Your Cabinet Officers have new member kits so if you are in need of one or more please reach out to you Zone or Region Chairperson.

Still seeking Zone Chairpersons for Zone 2 & 7Lions, in the past two years we have not had the opportunity to travel the District to see the talent in Leadership that is out there. If you have a desire to be a Zone Chair please reach out to me and let's talk.....remember that you must have been a club President to qualify. Training is available and we are always here to encourage and support you.

Next Cabinet Meeting will be held in Strathroy on November 27th

I am looking forward to seeing you all as I begin my Official Visits. If you have not confirmed my visitation date could you please double check and make sure the date I have chosen is your correct meeting date and that we are good to go.

Contact Lion Rosey Kennedy for changes to the Directory - you will not be getting the information if your info is incorrect.

Thank you Lions,

Lion Ev
District Governor

Your Lions Goals

Your Lions Goals

What are Lions Goals?

1. Invite a new member
2. Create a new service project
3. Take on a leadership role
4. Contribute to LCIF
5. Do a new fundraiser
6. Take a LCI Course

Together we can

From the Vice District Governor, and introducing our District Cabinet Treasurer

A Message from 1st VDG Sydney MacLean

While many clubs were busy over the summer months, September means back to meetings (feels a bit like back to school) for most of us. Here are some 'back to school' tips to help keep the resources you need close at hand. First is our [District A-1 website](#) which contains a wealth of information about our District, what we do, past newsletters, the directory as well as links to [Lions International](#), MyLion and learning resources. The [Directory](#) has information about clubs (including club contacts and websites), district contacts, meeting dates and much more. It's one stop shopping for A-1. Next are the cabinet minutes, they provide look at what the cabinet and district are focused on at the moment. Zone reports help us see and share information between clubs. Finally, are Club Facebook sites. These are great for real time updates on what's happening around our District.

September is Childhood Cancer Awareness Month. Our District Childhood Cancer Chair, Lion Doug Crockett, arranged for an excellent presentation from the Children's Health Foundation at the cabinet meeting on August 21, 2022. This Foundation has asked District A-1 to partner with them in fundraising. Paediatric Cancer is of course one of our core areas of service and if your club would like more information or to book a presentation, contact [Lion Doug](#).

I am looking forward to the year ahead working with DG Ev and her team as well as the clubs and members of A-1.

Best of luck to all with your Lions year,

Lion Sydney

Meet your District Cabinet Treasurer

Lion Ted Sinclair, CPA, CMA

Ted has been married to Rose for the past 41 years and has two adult children. He has been a member of the Mount Brydges Lions Club for 38 years.

After holding most of the positions in his local club twice, he later held the position of Zone Chair and most recently District Cabinet Treasurer. Ted is a Chartered Professional Accountant and has been working in banking, general industry and most recently in education. Ted brings that professionalism to the financial role within A-1.

Meet your Region and Zone Chairs

Region 1 Chair William (Bill) Finlay

My name is Bill Finlay and I am the Region 1 Chairperson in District A-1 for 2022-2023.

I was employed with the federal government for over forty (40) years. Since retiring I have settled down on our 6th generation farm to where I cash crop commodities and train horses.

I became a Lions member in 1982 by joining the Rockland, ON Lions Club as a Charter member. Due to my employment I later transferred to the Oakville, Dorchester, Chatham and now the Highgate Lions Clubs. I reluctantly had to leave Lionism for four (4) years for employment reasons.

I have served in the majority of club offices and of late I was the Zone 2 Chairperson for the past three (3) years. I found every office an opportunity to learn and how to better serve my community.

I feel that every Lions member should experience the challenge and rewards that club offices offer and then to continue to assist/guide/ mentor other Lions members.

Leadership with service will bring membership!!!!

Region 2 Chair David Proudfoot

Lion David has been a member of the Hyde Park and District Lions Club since becoming a lion February 2000.

During his 22 years as a lion he has been has held every officer position in club including President twice and most recently Secretary for the 2021-22 year.

He was Zone 4 Chair for 2016-17.

Lion David works as a Business Advisor at the London Small Business Centre where he helps small business in the London area start their business.

He and his wife Judy have been married for 35 years and have a daughter Allison who is a teacher in Toronto.

A grasshopper sits down at a bar. The bartender says, "We have a drink named after you!" The grasshopper replies, "Who names a drink 'Steve?'"

Meet your Region and Zone Chairs

Region 24 Chair Barb Tuxford

Barb has been a Lion for over 14 years.
She has been married to Mike for 30 years; she has 1 son, 2 granddaughters and 4 great grand babies, 3 girls and a boy.
She retired from Union Gas after almost 36 years.

She grew up on a farm on Highway 3 in Palmyra and even as a young girl was busy with 4H, United Church Young People's and Figure Skating...she was one of the first amateur coaches in Ontario way back in 1963. This beginning encouraged her to be part of various groups over the years.

Prior to moving to Lucan, she lived in Chatham, where she was an active member of the Legion Br 628, and also on the Multicultural Council, the Adult Basic Literacy Council and various positions in her own Local Union, National Union Executive and the Chatham and District Labour Council including President.

In Lucan she volunteers for various campaigns for the Canadian Cancer Society, the MS Grand Bend to London Bike Tour and has served as RCL Branch 540 Poppy Chair for 20 years. She is currently Treasurer of Ailsa Craig Lions, District A1 Admin officer, Past District Governor and Past Vice Council Chair and Region 24/Zone 7 Chair.

Barb has been the recipient of several awards – from Lions – The PDG Rob Spiering Leadership Award, Melvin Jones, Harry Newman, several Governor's Awards and a few membership keys; Fundraising Excellence Award from the Canadian Cancer Society and an award of Excellence from the Deaf Children's Festival and District New Voices Leadership Award and MDA New voices Marketing Award.
Lion Barb is honoured to be a recipient of the Queens Platinum Jubilee award.

Barb is also a Life Long learner and is a graduate of Advanced Lions Learning, Faculty Development and Faculty Development Excellence, as well as a past Guiding Lion. The US/Canada Forum has also added to her education, with a Bachelors and a Masters from Lion's University.

To date, the hardest thing I have done in Lions is to write this bio, Barb says. She finds it much easier to talk about others' accomplishments.

RC 24 Lion Barb Tuxford, PVCC

Message from the DG Newsletter Editors

Dear fellow Lions,

Here is the first full sized District newsletter. Lion Wayne and I hope for very few (if any) errors and typos this time. We would like to especially thank the Belle River Lions for letting us know that not everyone can handle a large file via email. Thank you, Lion Joyce. We certainly learn as we go.

A correction: somehow the Tilbury Lions Club ended up in Zone 6 in the original August issue's listing. They belong in Zone 2, and have been moved back. Thank you to several Lions who noticed. Our apologies to the Tilbury Lions.

This issue includes a few more bios. The October issue will contain the remaining ones. We like to include a few in each newsletter.

Also included are any and all flyers we were able to round up from the A-1 clubs' websites and Facebook pages. We have only included events still coming up.

If we missed an event, please send us the info so we don't miss out including you next time. **Looking forward to your submissions for the October issue!**

Lions Clubs International Service Programs

- **Type 2 Diabetes Screening:** Clubs can make a difference by organizing a screening project in their communities. Get started by using the step-by-step guides and resources provided by Lions International.
- **Strides for Diabetes Awareness:** Strides activities are a fun and engaging way for Lions and Leos everywhere to promote diabetes awareness. A Strides event can be any physical activity, from a run to a dance competition! Get creative with Strides, and use positivity and exercise to open the door to diabetes awareness and prevention. One Strides event held in your community is all it takes to begin fighting back against the spread of diabetes.
- **Lions Eye Banks:** Eye banks recover, evaluate, store and distribute human eye tissue for vision restoration, research and education. Eye surgeons rely on eye banks to supply them with tissue for sight-saving procedures. A Lions eye bank is sponsored by a Lions club, district or multiple district and has an established working relationship with a medical facility.
- **Vision Screening:** Eighty percent of all visual impairment can be prevented or cured. The first step to prevention is awareness. The second is early detection through vision screening. Around the world, Lions partner with medical professionals and community leaders to screen young children, primary school students, and adults to identify those at risk for vision loss.
- **Eyeglass Recycling:** Refractive errors can be easily corrected with eyeglasses, yet millions living in low- and middle-income countries lack access to basic eye care services. Lions have recognized the urgent need for corrective lenses and collect usable glasses in their communities to support the Lions Recycle For Sight Program.
- **Youth Camps and Exchange:** The YCE program is comprised of two major parts: international exchanges and international camps. Together, they foster a spirit of understanding and encourage peace among the people of the world. YCE does not involve tourism, academic study or employment. Instead, youth are encouraged to use their travel opportunity to share their own culture while experiencing a new one.
- **Diabetes Camps:** The Diabetes Camps program is designed to help enhance the quality of life for young people living with diabetes. This program fosters relationships that will help participants expand their diabetes management skills and increase knowledge of the disease.
- **Diabetes Support Groups:** Diabetes peer support groups allow your club, district or multiple district to actively support the diabetes community through hands-on service.

Lions Quest Canada

The Centre for Positive Youth Development

*Proudly supported by the
Lions Clubs of Canada*

Virtual Training for Lions Quest Social Emotional Learning Programs!

It has never been more important to focus on the social & emotional well-being for students and staff. We are excited to announce that training for our award-winning programs is now available virtually! This experience will provide an overview of Social Emotional Learning & Research, How to Teach Lions Quest in a Classroom, as well as Instructional & Implementation Strategies.

Participants will be required to watch a webinar and complete some activities prior to attending the 2-hour virtual gathering on Zoom.

Each training session is limited to 15 participants, and the \$350 registration fee includes the training and a curriculum resource package for one grade level. Lions Clubs or Districts may be willing to sponsor participation. Register early to avoid disappointment and to ensure that you receive your material prior to the virtual workshop.

Choose the workshop that best fits your schedule from the following options:

- Wednesday, September 21/22 from 1:00 – 3:00 p.m. EDT
- Friday, October 21/22 from 4:00 – 6:00 p.m. EDT
- Wednesday, November 2/22 from 4:00 – 6:00 p.m. EDT
- Friday, November 18/22 from 1:00 – 3:00 p.m. EST
- Tuesday, December 6/22 from 4:00 – 6:00 p.m. EST

What the Heck is Lions Quest? (geared to the Lions family)

This recorded webinar will provide you with an overview of the work the Lions Quest does across Canada - how we support the development of healthy, capable young Canadians of strong character. It will also give some ideas of how you, your Lions Club, and your Lions District can get involved. It takes a village, and we are all villagers!

Belle River Lions Club

Submitted by Lion Joyce Mahovlich

The Belle River Lions donated 6 dozen baseballs to the Baseball Association in their area.

From Left to Right: Lions Mark Mahovlich, Pat Beaulieu, Debbie Lemire, Mary Mahovlich, Baseball Association Members - Aaron Dunlop, Mike Verzosa, Phil Audet, Lion Tom Trotechaud, Baseball Association - Geoff Stephenson, and Lion Steve Mahovlich. The Lion behind Mary Mahovlich is Lion Bob Percy. Lots of happy faces!

And just for fun...

The other day I visited the thrift shop and picked up an old record album called 'Sound of Wasps'.

When I got home and played it I realized it didn't sound anything like wasps!
Turns out I'd been playing the Bee side.

London Central Lions Club

London Central had a very successful Farm Produce sale on Saturday August 13. The weather was fabulous and people came out in droves to buy farm fresh produce and bikes. Many of our Lions came out to help and have fun at the same time, Lion Walt Grieve, Lion Greg Millar, Lion Doug Riehl, Lion Pat Nolan, Lion John Smith, and Lion Rick Letton and other Lions. Congratulations to Lion Bob Lucas for spearheading this event!

Lion Jason Cheese, Lion Bob Lucas and Lion Bob Leff were busy selling our fresh off the farm, crunchy vegetables and fruit. What a great day it was!

DELAWARE LIONS CLUBS

Delaware Lions – Service – Community Outdoor Ice Rink

Delaware Lions along with some other Community Volunteers, with permission and support of Middlesex Centre, constructed an OUTDOOR ICE RINK for all to enjoy!

Great project to give all an opportunity to get out and enjoy the great outdoors during these confining times!

Delaware Lions constructed, are maintaining, and monitoring the 2022 OUTDOOR ICE RINK – built for public use and enjoyment by Delaware residents – families, teens, adults, seniors, ... anyone with skates.

December 28, 2022
Delaware Lions along with some other volunteers constructed the Ice Rink on the outfield of the Ball Diamond in Delaware Town Square.

January 3, 2022

Installed Tarp –

Ready for water and regular flooding & maintenance!

January 10, 2022 – Outdoor Ice Rink opened for public use with cautions to share the ice time, follow safety rules and encouraged the use of helmets by all! Sharing the ice time - suggested “No hockey, hockey nets or sticks or pucks on the ice until noon everyday, 7 days a week, so that the little ones can also enjoy it safely!

Delaware Lions and other volunteers maintain the ice rink – cleaning & flooding regularly as weather permits!

February 5, 2022 - Special thank you goes out to Ron Ryckman (former Delaware Lion) and Lion Matt Vanos for snow blowing the whole rink. And of course, many thanks to all others who helped in any way!!

Another great successful SERVICE ACTIVITY by Delaware Lions as it is a great winter for such a project and it is being used by so many – on one occasion at least 30 were enjoying an outdoor skate!

Dorchester & District Lions Club

Lions Chris & Michelle of the Dorchester Lions, member of the Lambeth Ontario Lions Club & St. Thomas Lions Club A1 all came together to help out at Peter's Bus, London stop.

Peter's Bus started in 1986 and takes visually impaired campers of all ages to the CNIB Camp on Lake Joseph in beautiful Muskoka Ontario Canada. This bus trip, supported by the District, is organized by Lion Peter Best of the Windsor Downtown Lions Club and is unique to District A1. Our clubs welcome them on their stop, provide them with a McDonald's breakfast and then send them off for a week of fun!
