Message from our District Governor Lion Sydney MacLean

September is upon us, and I am looking forward to getting out on the road again visiting clubs! Here are some of the topics that the District A-1 team is excited to share with you this year.

We're on a Mission to Change the World!

Lions International has set a goal to grow our organization to 1.5 million members by 2027. That is **Mission 1.5**. The more members we have, the more service we can do and the bigger impact we can have on our communities and around the world. As our international President Dr. Patti Hill says, “**we are changing the world**”.

Here is the link to the video with our International President speaking:

<https://www.youtube.com/watch?v=BOhfN6EuBdE>

On the Mission 1.5 page, [MISSION 1.5 | Lions Clubs International](#), you will find information and resources for **Inviting New Members** and **Chartering New Clubs**. There are also links to **logos** which are available in a variety of formats. Just to make things a little more fun, check out the [MISSION 1.5 Awards Page | Lions Clubs International](#).

For our part, Dr. Hill has asked District A-1 to grow our membership by 100 members and charter 2 new clubs by June 30, 2024. What will the district do to achieve these goals?

We will develop and distribute promotional material to clubs, develop digital material for clubs to use in their communities and assist clubs with membership initiatives, campaigns, and club development.

How can clubs get involved?

Identify opportunities in your communities to present digital material (community centres, public buildings, businesses).

Submit ideas for new clubs (location, specialty clubs, for example senior's residences, sports, hobbies, lifestyle, professions, youth, global cause...).

Your District Global Action Team is here to work with our clubs.

Global Membership Coordinator: PCC Bob Tanner, lionbobt@icloud.com

Global Service Coordinator: Lion Pamela Harbottle, pammycda@gmail.com

Global Leadership Coordinator: Lion Dianne Piggott, dianne.piggott@gmail.com

Global Action Team Chair: Lion Sydney MacLean, lionsydneymaclean@gmail.com

Let's work together to reach these goals so that we can better serve our communities!

Our International Foundation, Lions Clubs International Foundation

When we think of LCIF, our first thought is often disaster relief, and unfortunately Canada has had more than our share of disasters over the past year. But LCIF also does so much more. For instance, LCIF grant programs assist clubs and districts with taking on large projects and achieving larger community impact. Lions can be proud of the great work of our global foundation.

We have a great District, and we will have a great year!

Sydney

*From 1st Vice District Governor
Lion Keith Ryan*

As September quickly arrives and the fall is upon us, I hope all Lions have had a good summer and have enjoyed some time away from work and Lions and spent it with your families. I personally took a much needed vacation, from all the above, including all emails. Although I came home to way too many emails, it was nice to take time for family to rejuvenate ourselves. As busy as life gets, we need to remember to take the time for ourselves and identify when we need a break. As has been said before, family first, then work, then Lions. It is important to remember to this take time for yourself when needed. Breaks like this gives us the extra boost when we start back up.

Now that our Lions year has come to a start with club meetings, return of service projects and club fundraisers, be sure to share this information for everyone to see. It can be through MyLion, Facebook, Instagram, and the District Website. I also encourage you to share events from other clubs on your own personal social media and your clubs' sites as well. The more we share this information; it allows the public to know who we are and what we do. Important to remember, when posting items with the Lions logo, it must be one of the approved logos from Lions International.

For more information, [Brand Guidelines \(Logos & Brand\) | Lions Clubs International](#).

Everything is free and in several different formats. Be sure to send your events to Michelle Mundy to get them posted on the District calendar.

I look forward to seeing all of you throughout the year and wish the best of success as your Lions year starts. I know that the team DG Lion Sydney has put together is keen and excited to get things going. If your club needs any help or information, feel free to reach out to your zone chairs, region chairs, VDG's, Committee Chairs and of course DG Lion Sydney. We are here to help and only a phone call or email away.

Yours in Lionism

FVDG Lion Keith

We Remember Those Who Served

MacKinnon, Donald William

It is with deep sadness that we share the sudden passing of Don MacKinnon on August 15. He was at his home in Port Stanley, with his loving wife of 59 years, Mary Lou, by his side. In addition to Mary Lou, Don is survived by son Mike (Anne) of Lambeth, daughter Donna (Chris) Sutarno of Toronto, brother Dave (Marie) of Halifax, grandchildren Lauren, Ethan, and Austin MacKinnon, and Ella and Jack Sutarno. Predeceased by sister Mary MacKinnon-Adell. Don was raised in Littlewood, Ontario, where he developed an appreciation for the outdoors. A member of the Port Stanley Lions Club since 1963, he made many close friendships and served as past president, past deputy district governor, and was a recipient of the Helen Keller Fellowship for his service. He was an active member of the Port Stanley United Church, where he formed a strong community and contributed to the building's operations. . Don was a bird lover, a great whistler, an avid reader, hunter, hockey dad and granddad. His quick wit, many stories and bits of wisdom kept those around him smiling. His family will miss him dearly.

Message from the DG Newsletter Editors

Dear fellow Lions,

Wayne and I have been working hard to get this Newsletter together in time under very difficult family circumstances. We are proud we did it and met our deadline. I am actually very picky about the deadline, because many clubs have events in the first few days of the month, and we want to make sure they are showcased and successful. Putting together three newsletters in a row is not easy when life gets in the way, but what a rush if you manage regardless! Wayne and I hope you will enjoy this issue, and we are looking forward to receiving your submissions for October. Keep them coming!

I asked my wife to embrace her mistakes.

She gave me a hug.

HELEN KELLER FELLOWSHIP

This award has been established by the Board of Directors, Lions Homes for deaf People, to honour outstanding Lions and Leos throughout Multiple District "A" and deserving members of the community.

The fellowship is of very significant design and quality to reflect the importance and honour of the occasion for which it is presented. An attractive lapel pin bearing a montage of Helen Keller is provided for each recipient. Recipients display both the award and lapel pin with pride.

To make a fellow Lion, Leo or a member of your community a "Helen Keller Fellow", a donation of at least \$600.00 must be sent to Lions Homes for Deaf People. For example, a number of clubs in a district might make smaller donations for a total of \$1800.00. The district would then be eligible to request a Helen Keller Fellowship to honour individuals within a Lion year.

This is an excellent way to honour a member of your club or citizen of your community while providing support to the projects of Lions Homes

for Deaf People. The solid oak frame, red velvet background and gold lettering make this a very impressive award.

Please consider this Fellowship a suitable way to honour someone in your club or district. To order a Helen Keller Fellowship, please complete the order form on the reverse side of this page and send it along with your cheque to:
